ABOUT EIIA

Property and Casualty

Comprehensive coverage designed for the full scope of campus risk, including facilities, liability, cyber, transportation, and international exposure. EIIA brings Fortune 200–level market negotiating power, rivaling that of large commercial enterprises, and a partnership-first approach to ensure your campus is fully covered and supported when it matters most.

EIIA P&C Membership includes claim support, a dedicated Risk Management Director, and access to resources and services at no additional cost.

Risk Management

Our commitment to risk management education and proactive risk management solutions ensures our Members can mitigate risk, prevent costly claims, understand regulations and compliance, and stay fully connected to our services. Each Member is matched with an EIIA Risk Management Director, fostering a personalized relationship.

Student Insurance Program

Insurance solutions that support student well-being on and off campus, including athletics, international travel, health gaps, and accidents, so students are protected when it matters most and your institution avoids coverage gaps, administrative burden, and reputational risk.
