Over 50 Years of Expertise in College Student and Sports Coverage

Unlike large insurers that offer generic, one-size-fits-all coverage, EIIA works closely with each institution to develop customized plans that fit your student demographic. Whether it is international student coverage, mental health services, or sports insurance, we tailor our offerings to ensure no student is unprotected.

Unmatched Service with a Dedicated Team of Student Insurance Experts

With unmatched service and a dedicated team of student insurance experts, we partner with campus communities to prepare and protect every student with comprehensive coverage.
