COVERAGE

This brochure is a brief description of the benefits provided through **Willamette University** for half-time to full time undergraduate and graduate students for the 2009-2010 academic year.

PARTICIPATION

Participation in the **University Student Accident & Sickness Plan** is required unless you complete the online waiver, identifying comparable coverage by September 20, 2009. **The waiver deadline date is strictly enforced.**

Students with a large **deductible** on their primary insurance plan or an HMO or PPO plan that excludes all out-of-network services should seriously consider purchasing the **University Student Accident & Sickness Plan**. This plan may reimburse co-payments or deductibles that you are required to pay under your primary insurance plan. Your participation in this plan will provide additional coverage that can help fill the gaps of your current health insurance policy.

ELIGIBILITY

Every half-time to full-time student, undergraduate and graduate is provided the **Basic Accident Benefit**. Coverage is in effect for the 9-month academic year. Students are covered from the first to the last date they are required to be on campus and coverage will continue in force between Christmas and Spring breaks provided the student remains registered for each subsequent academic session.

All full-time students are automatically enrolled in the **University Student Accident & Sickness Plan** expanding the **Basic Accident Benefit** as well as adding **sickness** benefits for 12 months. The policy term will cover enrolled students who purchase this coverage from August 16, 2009 through August 15, 2010. *Coverage is not prorated for students enrolling in the Spring term.* The **University Student Accident & Sickness**

Plan is provided at an annual cost of \$460 for students who are age 24 and under and \$705 for students who are 25 and older on August 15, 2009. Cost of the plan will be determined by the student's age on August 15, 2009. The above rates include a University Fee for administration of the program.

Participation in the University Student Accident & Sickness plan is required unless you complete the online waiver, identifying comparable coverage within 10 days after the fall semester classes begin for your academic program. *No exceptions will be made for waivers received after the deadline.* The web address to complete is: www.eiia.org/willamette

Student who drop below half-time or withdraw for non-medical reasons during the policy term lose their eligibility for benefits under either plan with no refund. Coverage for students who enroll late because of loss of primary coverage is effective on the date the Student Accounts Office receives your payment for the full premium.

Students with a large deductible on their primary insurance plan or an HMO or PPO plan that excludes all out-of-network services should seriously consider purchasing the **Student Accident & Sickness Plan**. Your participation in this plan will provide additional coverage that can help fill the gaps of your current health insurance policy.

NOTE: This is not a major medical health plan, the benefits are very limited.

EXCESS COVERAGE PROVISION

Your benefits are payable for **covered expenses** not otherwise covered and payable by any other plan providing medical expense benefits. If there are no other valid and collectible benefits available from any other source, this plan will pay the **covered expenses** up to the limits of the policy.

REFUND PROVISION

In the event a **covered person** leaves school to enter active military service, coverage will cease and a pro-rata refund of premium will be made upon written request.
