COVERAGE

This brochure is a brief description of the benefits provided through **Lenoir-Rhyne University** for full time undergraduate students for the 2010-2011 academic year.

PARTICIPATION

Students with a large **deductible** on their primary insurance plan or an HMO or PPO plan that excludes all out-of-network services should seriously consider purchasing the **University Student Accident & Sickness Plan**. This plan may reimburse co-payments or deductibles that you are required to pay under your primary insurance plan. Your participation in this plan will provide additional coverage that can help fill the gaps of your current health insurance policy.

ELIGIBILITY

Every full-time undergraduate student is automatically enrolled in the **University Student Accident & Sickness Plan** covering **sickness** as well as **accidents** for a full 12 months. The policy term will cover enrolled students who purchase this coverage from August 1, 2010 through July 31, 2011. The **University Student Accident & Sickness Plan** is provided at an annual cost of \$250 for students 24 years of age and under and \$504 for students 25 years of age and older.

To be a Covered Person under this Policy, the student must have paid the required premium and actively attended classes for at least the first 31 days from their effective date of coverage, or the entire period for which coverage is purchased, whichever is the lesser, except in the case of medical withdrawal.

The company maintains its right to investigate student status and attendance records to verify that the policy eligibility requirements have been met.

NOTE: This is not a major medical health plan, the benefits are very limited.

REFUND PROVISION

In the event a **covered person** leaves school to enter active military service, coverage will cease and a pro-rata refund of premium will be made upon written request.
