2. If you are insured by an HMO, PPO or similar arrangement, they must be contacted for proper instruction or authorization on covered health care. HMO & PPO Plans must be utilized. If you do not use the facilities or services of the HMO, PPO or similar arrangement, medical benefits may be reduced depending on your plan.

- 3. The coverage afforded by the Intercollegiate Sports, Accident and Sickness Reimbursement Plans may provide benefits in *EXCESS* of any other coverage the student may have. The Insurance Statement in Section 2 of this Claim Form must be completed, or your claim will be pended and information will be requested from you, delaying your claim processing.

- 5. All bills must be itemized insurance bills. If you informed your medical provider of this insurance, they will likely submit the necessary billing and primary explanation of benefits. It is always a good idea to show them your ID card for this coverage or provide them with the name of your school/policy or coverage number and the NAHGA address. (HCFA and UB forms are preferable.)
- 6. File only one Claim Form per loss (Accident or Sickness). Once the initial Claim Form has been filed, additional information submitted should be identified with the school's name, the student's name, ID# and the initial date of loss.
