It does not provide major medical or comprehensive medical coverage and is not designed to replace major medical insurance. Further, this insurance is not minimum essential benefits as set forth under the Patient Protection and Affordable Care Act.

This is a brief description of coverage provided under the group policy number above and is subject to the terms, conditions, limitations and exclusions of the policy. Please see the policy and certificate for complete details. Coverage may vary or may not be available in all states.

Please keep this summary as a brief description of the important features of the plan. It is not a contract of insurance. This plan includes both insurance and non-insurance benefits. SCOPE OF COVERAGE

This brochure is a brief description of the benefits provided through Lebanon Valley College for full-time enrolled undergraduate students from the first date you are required to be on campus through 07/31/24.

Benefits are provided to **covered persons** who suffer a covered loss which results directly and independently of disease or bodily infirmity from an **injury** which is suffered in an **accident**. The **accident** must occur while the person is a **covered person** under the Policy and be within the scope of the covered hazards and benefits.

PRIMARY EXCESS MEDICAL EXPENSE

If an injury to the **covered person** results in his incurring **eligible expenses** for any of the services on the Schedule of Benefits, we will pay the first one hundred dollars (\$100) of the **eligible expenses** incurred, subject to the **deductible** amount (if any).

Additional Expenses will be paid only when they are in excess of amounts payable by any other Health Care Plan.

The **covered person** must be under the care of a Physician when the **eligible expenses** are incurred. The **eligible expense** must be incurred solely for the treatment of a covered injury.

1. While the person is insured under this Policy; or
2. During the Benefit Period stated on the Schedule of Benefits.

The first **eligible expense** must be incurred within the time frame stated on the Schedule of Benefits.

The total of all medical benefits payable under this Policy is shown on the Schedule of Benefits and is subject to the specific maximums shown on the Schedule of Benefits.

SUBROGATION

If we have paid benefits to a **covered person** for **injuries** received in a covered **accident**, and in our opinion a third party may be liable, we will be subrogated to the extent of such payment and to all of the rights of the Covered Person regarding the recovery of benefits paid or to any settlement or judgment which results from the exercise of these rights. The Covered Person agrees to sign papers and do whatever else is necessary to transfer his rights to us. We will exercise such rights on his behalf. He further agrees to furnish us with all relevant information and documents.
