Highlights of Services offered by UnitedHealthcare StudentResources

Healthiest You: National Telehealth Service

Starting on the effective date of your policy, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service. By calling the toll-free number listed on the front of your medical ID card or visiting www.telehealth4students.com, you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service. *Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*If you are an Insured under this insurance Plan, and you call <u>prior to the plan effective date</u>, you will be charged a \$40 service fee before being connected to a board-certified physician.

BetterHelp: 24/7 Online Counselor Access

These professional licensed counselors will be available to you via ongoing text communications, live chat, phone, video or groupinars.

When you first visit the counseling website, you will be asked to complete a questionnaire that will request your UHCSR insurance information on your ID card, emergency contacts and your goals for accessing the service. The questionnaire will also ask you for counselor preferences (gender, specialty, etc.) to ensure you are matched with a practitioner that can help you meet your goals. Within 24 hour after completing the questionnaire, you will be contacted by a counselor to schedule an appointment and decide on a communication method that best suits your needs.

As an insured with StudentResources, there is no consultation fee for this service. Every communication with a BetterHelp counselor is covered 100% during your policy period.
