

How do I file a claim for an accident?

HELPFUL HINTS:

Be sure to present your primary insurance carrier ID card and your student insurance ID card (can be found at www.eiaa.org) to your medical providers. Most medical providers will submit the proper bill and primary insurance carrier explanation of benefits for you if you present your ID card at the time of services. If you did not tell them about this insurance you will likely have to contact them and provide them with the following information:

North Central College Policy Number: US950528
Claims/Itemized Bills should be sent to: NAHGA Claims Services:
 PO Box 189
 Bridgton, ME 04009
 Phone: 877.497.4980 Fax: 207.647.4569
 E-mail: eiia@nahga.com

You can find a fillable version of your ACCIDENT ID card and a fillable claim form at www.eiaa.org > click on "For Students" and search for your school. Once you get to your home page you can find information about the plan, ID card and fillable claim form.

WHAT INFORMATION DO I NEED TO FILE A CLAIM?

1. COMPLETED CLAIM FORM - Go to www.eiaa.org or visit your Student Health Center. Be sure to have someone from the Student Health Center sign your claim form.
