

ABOUT

The EIIA Student Insurance Program provides flexible, responsive, and customized insurance solutions that empower colleges and universities to support their diverse student populations with confidence. We provide comprehensive and affordable protection through caring, personalized service and direct involvement, grounded in a creative approach and a deep understanding of the unique challenges in higher education.

EIIA DIFFERENCE

We offer à la carte coverage options, allowing institutions to customize plans for international students, student-athletes, or other high-risk circumstances involving students.

Over 50 Years of Expertise in College Student and Sports Coverage

Unlike large insurers that offer generic, one-size-fits-all coverage, EIIA works closely with each institution to develop customized plans that fit your student demographic. Whether it is international student coverage, mental health services, or sports insurance, we tailor our offerings to ensure no student is unprotected.
